

**VILLAGE OF TAOS SKI VALLEY
PUBLIC SAFETY COMMITTEE MEETING
Monday, June 16, 2014
1:00 P.M.
VTSV VILLAGE OFFICES**

AGENDA AND NOTES

- I. Call to Order and Roll Call**
Present were Kathy Bennett, April Bender, Sheila Duffy, and Roger Pattison. Staff present was Dave Wallace. Jim Woodard was on vacation.
- II. Old Business**
- A. Special Events permits**
The Committee is waiting for several special events permits. These are for the 6/28/14 Grand Opening Bike Trails, yet we understand that the Ski Patrol will provide EMS when the trails are open. Others include August 2, 2014, Up and Over Running Race; August 9, 2014, the “Never Forget” Veterans Day where there will be hand bikes coming up State Route 150 to the Village, originating in Arroy Seco; September 18-20 Barn Dance; Octoberfest on September 13, 2014. The Snakedance will provide an outdoor bar for the Barn Dance and should probably provide a special events permit, and must have a picnic license. The Public Safety Committee will review these permits as they are submitted.
- B. Underground Electric Installation Update – Kathy**
Kathy said Kit Carson Electric is working very hard to install more underground power and they are cutting down trees that could possibly fall on live power lines. We do not want to deter their efforts here, but say thanks for a great job.
- C. Underground Electric Installation Ordinance Update - Kathy**
Kathy explained to the Committee that the Ordinance requiring property owners to hook up to the underground electric was introduced at the June Village Council Meeting. There were a few suggestions made by Council members and these will be inserted into the Ordinance by Dennis Romero, Village Attorney, and presented at the July 1, 2014 Village Council Meeting.
- III. New Business**
- A. Construction Update – as pertains to the 4th of July**
The Committee has been told that the yearly parade route will be available by the 4th of July; that being gathering and starting from the KK and the Parking Lot and ending at the Snakedance.
- IV. Miscellaneous – help with decorating the float – Ocean Blvd – 5:00 P.M. 7/3/14**
Dave said he would talk to Dick Kincaid regarding the use of a cattle car that we can decorate and perhaps Dick could free up a bay in the VMF for overnight protection from rain that may happen, as the car wash is gone; we also need a driver.
- V. Date, Time, Place of Next Meeting**
The next schedule meeting of the Public Safety Committee is Wednesday, July 16, 2014 at 1:00 p.m., at the Village Offices.
- VI. Adjournment**
The Meeting was adjourned and the Firewise Community Board of Directors started immediately afterwards.
