**Re: Village of Taos Ski Valley
Phoenix Switchback Waterline Replacement
Bid Results- Negotiations**

Dear Mayor Stanek, Council Members and Ms. Woolridge:

Bids for subject project were received October 12, 2023, at 11:00 a.m. The single bid received from Dub-L-EE Construction, LLC exceeded the available construction budget by more than 10%. As such, negotiations could not occur (NMSA 13-1-105) and the bids were rejected. Bids were received a second consecutive time at 11:00 a.m. on March 13, 2024. The bid received from Dub-L-EE Construction, LLC exceeded the available construction budget, and the bid was rejected.

Pursuant to NMSA 13-1-131, following two consecutive bid attempts, purchase of the construction services for the best obtainable price was solicited. As requested by the Village, negotiations occurred and File Construction, LLC provided a bid on June 4, 2024. A copy of their bid is attached.

In review of our records and understanding of the current budget for these improvements, the budget and funds available for construction are as follows:

SAP 23-H2504-GF	\$1,700,000.00
Baker Utility Supply (HDPE waterline)	-\$ 18,850.00
File Construction, LLC Bid - Base Bid Schedule I: New 8" SDR9 DIPS HDPE Waterline (Sta. 0+00 to 16+40)	-\$1,071,898.16
Balance Available for Construction and Additional Materials *	\$609,251.84

DENNIS ENGINEERING COMPANY has worked with File Construction, LLC on past projects. After reviewing their bid, we are not aware of any condition that would preclude the Village from awarding this contract to them.

If the Village elects to award a contract to File Construction, LLC, 109 Industrial Avenue, Albuquerque, NM 87107, for all Work outlined in the Base Bid Schedule I: New 8" SDR9 DIPS HDPE Waterline (Sta. 0+00 to 16+40) in the amount of \$1,071,898.16 (inclusive of NMGR at 8.9375%), please sign and return the attached Notice of Award.

Once we receive the signed Notice of Award from the Village and concurrence from NMED-Construction Programs Bureau, we will proceed with the preparation of the Agreement, Bond Forms and related documents for signature by the Contractor. Once the Contractor returns the documents to our office, a pre-construction conference will be scheduled. The Contract Documents will be fully executed by all parties at the preconstruction conference.

Thank you for the opportunity to be of service on this project. Please do not hesitate to contact us if you have questions.

Sincerely,
DENNIS ENGINEERING COMPANY

Tappan J. Mahoney, PE
President/ Chief Engineer

**SECTION 00510
NOTICE OF AWARD**

Date of Issuance:	
Owner: Village of Taos Ski Valley	Owner's Contract No.:
Engineer: DENNIS ENGINEERING COMPANY	Engineer's Project No.: 01253
Project: Phoenix Switchback Waterline Replacement - Negotiations	Contract Name:
Bidder: File Construction, LLC	
Bidder's Address: 109 Industrial Avenue, Albuquerque, NM 87107	

TO BIDDER:

You are notified that Owner has accepted your Bid dated June 4, 2024 for the above Contract, and that you are the Successful Bidder and are awarded a Contract for: All work identified in Base Bid Schedule I: New 8" SDR9 DIPS HDPE Waterline (Sta. 0+00 to 16+40).

The Contract Price of the awarded Contract is: One million seventy one thousand eight hundred ninety eight and 16/100. (\$1,071,898.16)

Four (4) unexecuted counterparts of the Agreement accompany this Notice of Award, and Four (4) copies of the Contract Documents accompany this Notice of Award.

Four (4) sets of the Drawings will be delivered separately from the other Contract Documents.

You must comply with the following conditions precedent within 10 days of the date of receipt of this Award:

1. Deliver to Owner Four (4) counterparts of the Agreement, fully executed by Bidder
2. Deliver with the executed Agreement(s) the Contract security [e.g., performance and payment bonds] and insurance documentation as specified in the Instructions to Bidders (C-200), General Conditions (Article 2 and Article 6) and Supplementary Conditions (Article 2 and Article 6).

Failure to comply with these conditions within the time specified will entitle Owner to consider you in default, annul this Notice of Award, and declare your Bid security forfeited.

Within ten days after you comply with the above conditions, Owner will return to you one fully executed counterpart of the Agreement, together with any additional copies of the Contract Documents as indicated in Paragraph 2.02 of the General Conditions.

**Re: 23-2504-GF Taos Ski Valley Phoenix Switchback Waterline Replacement
Concurrence with Recommendation of Award**

Dear Mayor Stanek:

The New Mexico Environment Department Construction Programs Bureau (NMED CPB) has reviewed the recommendation of award letter dated June 5, 2024, and bid negotiation prepared by Dennis Engineering Company after two unsuccessful bid attempts, for the referenced project. The NMED CPB has reviewed the negotiations with File Construction and their bid submittal.

The NMED CPB concurs with the recommendation to award the construction contract to the apparent responsive responsible bidder, File Construction.

AG Services Bid	Amount	NMGRT @ 8.9375 %	Total
Base Bid Schedule 1, including Allowances	\$983,987.00	\$87,943.84	\$1,071,930.84

Please ensure I am copied on the notice of award and construction contract when they have been executed. Please contact me if you have any questions at (505) 538-5539 or by email at stephanie.dubois@env.nm.gov

Subject: Phoenix Switchback Waterline Replacement - Construction Award
Attachments: 03_Phoenix Switchback-Letter Negotiations Award to Owner_06-05-2024.pdf

Good afternoon everyone,

The attached award letter is for consideration by the Village Governing Body at their next meeting and for Ms. Dubois review and concurrence.

We have received correspondence from File Construction requesting when the award will be considered so they can initiate their letters of intents to suppliers for the materials. As noted in the transmittal of the bid, the HDPE pipe may take 4-5 weeks, and the adaptors longer. As such, effort to expedite the review and award will be beneficial and assist in trying to beat the snow fall this year

If there are any questions, please feel free to contact me.

Kind Regards,

Tappan Mahoney, PE (NM, CO)
President/ Chief Engineer
